

Emerging Scholars Symposium

November 12 - 14, 2019

Engage with ECU

The East Carolina University (ECU) Emerging Scholars Symposium is a program for scholars nearing the end of their terminal degree studies and recent graduates, including postdoctoral scholars. The program is designed to diversify East Carolina University's faculty pipeline with emphasis on groups underrepresented in their field.

Participants in this program will (1) engage with ECU academic leaders, (2) learn about faculty life at ECU, and (3) showcase their research.

Program Benefits

- Networking dinners with academic leaders and faculty
- Research presentations to faculty and students
- Campus and community tours
- Workshops and panel discussions regarding faculty careers at ECU
